Lakeside Villas Homeowners Association

Rules and Regulations

(As of June 1, 2025)

I. PURPOSE

The purpose of the Rules and Regulations is to ensure homeowners understand the rules and regulations that govern living in Lakeside Villas and how to maintain their properties to ensure uniformity throughout the subdivision.

II. DEFINITIONS

1. **Association.** Shall mean and refer to Lakeside Villas Homeowners Association.
2. **Architectural Committee.** A committee of two (2) or more persons approved by the Board of Directors to review all architectural requests to ensure compliance with Lakeside Villas Regulations and By-laws.
3. **Common Area.** Shall mean all Real Property owned by the Association for the common use and enjoyment of the Members of the Association.
4. **Lot.** Shall mean and refer to a portion of a platted Lot designated as a Unit upon any recorded subdivision map of the Properties and upon which a Unit is constructed.
5. **Unit.** Shall mean a part of the property designed and intended for any type of independent use.
6. **Property.** All the land, property, and space comprising the parcel, including the building and all easements, rights, and appurtenances belonging thereto, and all fixtures and equipment intended for the mutual use, benefit, or enjoyment of the unit owners.
7. **Occupancy.** The maximum number of residents allowed in a unit is:
Mayport is 5; **Malibu** or **Savannah** is 7; **Bayside**, **Lakeview**, **Del Mar**, and **Palisade** are 8.

See Appendix F for an illustration of Models with Names.

III. ADMINISTRATION

1. **General.**
Lakeside Villas Homeowners Association is a not-for-profit corporation consisting of 242 townhomes. Each Lot has one vote, which may be cast from time to time on certain issues. One of those issues is the election of persons to serve on the Board of Directors.
2. **Board of Directors.**
The Board of Directors of the Association (herein "Board") is comprised of seven (7) elected members. Terms are three (3) years. The Board of Directors administers the functions of the Association. Board members do not receive compensation for their duties as board members.
3. **Board Meetings.**
The Lakeside Villas Homeowners Association shall, but is not required to, hold Board meetings at the clubhouse on the third Wednesday of each month. The board may choose to hold the meeting electronically, such as via video conference; this must be announced to Association members at least 48 hours prior to the meeting.

4. **Annual Meeting.**

The annual meeting of the Homeowners Association shall be held during the month of November unless otherwise designated. Notice of the annual meeting shall be sent to all Members at least ten (10) days and no more than thirty (30) days in advance of the meeting. During this meeting, elections will take place to elect or re-elect Board Members to fill the expiring terms.

5. **Property Manager.**

The Board of Directors, pursuant to its powers, will appoint a property management company to provide day-to-day management services of the Association.

6. **Accounting.**

Any accounting questions should be directed to the Management's Bookkeeping Department.

7. **Membership.**

Every person or entity who is the owner of record of a fee or undivided fee interest in any Lot which is subject by the covenants of record to assessment by the Association shall be a Member by the Association. Members may delegate their right of enjoyment to the common area and facilities to members of their immediate family (child, spouse, parent, or sibling) who reside at their Lakeside address. Members shall always be responsible for the conduct of their family members, invitees, or guests.

IV. **ARCHITECTURAL RULES**

1. **General Declaration Provisions.**

- a. No building, fence, wall or other structure shall be built, erected, or maintained upon the Property except as such was installed or approved by the Declarant in connection with the initial construction of the Property. **No change or alteration may be made to the exterior of the Property until the plans and specifications showing the nature, kind, shape, height, materials, and location of the change or alteration have been submitted with the Plat of Survey to the Property Manager.**
- b. In the event any Homeowner initiates an architectural, landscape, solar panel, or satellite dish project without first securing consent from the Board through the management company, the Homeowner shall be fined \$100.00 in addition to being required to remove the addition and make any corrections deemed necessary by the Board of Directors.
- c. No structure of a temporary character, trailer, shack, garage, barn, or other outdoor buildings shall be used on any lot at any time as a residence or otherwise, either temporarily or permanently, except as here in provided. No items, including but not limited to: AC units, fans, laundry, etc. may be placed in any windows of a unit.
- d. Homeowners are not permitted on any unit or garage roofs without authorization by the Association.
- e. No communication antennas (television, radio, etc.) of any sort shall be placed, allowed, or maintained on any portion of the exterior of the Property, nor upon any structure situated upon the property without written prior authorization of the Association. With respect to satellite dishes, the homeowner must install a satellite dish in compliance with the current rules pertaining to the installation of satellite dishes and must, within 48 hours of such installation, notify the Board or Property Manager so that an inspection will confirm proper installation has been conducted.
- f. With respect to existing architectural violations not caused by the owner, the owner must correct these violations and comply with the current Rules and Regulations when the Association notifies the unit owner of the violation.

- g. With respect to existing architectural violations caused by the owner, (either an intentional modification of the architecture by the owner or the failure of the owner to properly maintain the structure) the board shall have the authority to direct the owner to immediately correct the violation. In the event of an interim sale of the unit, the unit closing documentation provided by the Association will provide that there is an architectural violation in existence (a description of the violation will be included) and that if it is not corrected prior to closing the buyer will be responsible for its correction and subject to fines/potential litigation as deemed necessary by the board of directors.

2. **Compliance.**

All Homeowners are required to comply with the current Rules & Regulations. Homeowners that are not in compliance must do so when they receive written notification by the Association. Homeowners who do not comply with the current Rules and Regulations by the specified date on their notice letter will receive either fines or actions by the Association. No exterior alterations or improvements shall extend outside the homeowner's unit property lines and encroach on a neighboring Lot or Association common area.

- Common examples are Fence lines and dwelling units backing to the Association's property line.
- For a fence example, see pg.11

The Association has the authority to correct all violations and charge all costs back to the Homeowner.

3. **Administrative Procedures.**

Members requesting approval for Architectural, Landscape, Satellite Dish installation, Solar System installation must fill out an Architectural Change or Improvement form and submit it to the Property Manager. For your convenience, application forms are included in the appendix section of this manual. Depending on the nature of the modification, building permits may be required from the Village of Wheeling. NOTE: By law, all homeowners are required to notify J.U.L.I.E (800-892-0123) a minimum of 48 hours before construction begins.

For all contract work, homeowners must submit a certificate of insurance evidencing general liability and workers' compensation insurance for any contractor working on the exterior of the Unit.

All external architectural improvements must conform to existing rules and regulations governing said improvements at the time of replacement.

In addition, any property improvement or change that requires a Village of Wheeling permit is the responsibility of the homeowner to obtain and comply with the permit.

4. **Vegetable Garden.**

Vegetable gardens are permitted in the rear of a unit and do not exceed a total area of 36 square feet, and no plant shall exceed a height of four (4) feet.

5. **Firepits**

Only one movable above-ground fire pit is permitted per unit, and fire pits are only permitted in the unit's backyard. When in use, fire pits must be placed at least 6 feet away from the unit's walls and under adult supervision. Only propane-based or natural gas-powered fire pits are allowed on wooden decks. The Board has the authority to require the unit owners to remove their fire pit at any time and may impose restrictions on the unit from having a fire pit should they violate this rule. Any damage to the siding caused by fire pits shall be replaced by the Association and charged back to the homeowner's account.

6. **Outdoor Grill.**

When in use, all grills must be at least four (4) feet from the unit's wall. Damage to the siding caused by outdoor grills will be repaired/ replaced by the Association and charged back to the homeowner's account.

7. **Fence.**

Homeowners must receive written approval from the Association prior to installation, removal, alteration, replacement, painting, or staining a fence.

a. **Location:**

Fences shall only be constructed in rear yards and must have one gate located on the rear of the fence with access to the common areas. Fence must be installed on the owner's side of the center of the party wall and must not extend past their property line on any side. If a preexisting neighbor's side is present. See illustrations below. When a neighbor removes their original installed fence, an additional side must be installed by the remaining fence's owner on their side of the center of the common wall. End unit fences must not be installed forward of the back wall of the house.

b. **Types of Installations:**

1. Original installation of a fence. Requires (3) three sides.
2. Second installation where neighbor later installs an adjoining fence. Needs only (2) two sides until original fence is removed then a 3rd side must be added by homeowner that installed the second fence. It must be within their property line.
3. Third installation or center (in between) of two previously installed fences. Needs only a back side until either side fence is removed. The missing side panel must be installed by the center homeowner within their property line.

Illustration of types of Installations

c. **Specifications:**

- **Material:** Natural cedar, pressure treated, or Wolmanized wood, or adobe colored PVC.
- **Design:** Board on board shadow box style. A horizontal cap/board across the top of the fence is recommended. It slows the wood from deteriorating. Gate design must be consistent with fence design. The top and bottom of fence panels and gate must be squared and equal in height and may not be rounded or beveled. **See the fence illustration below.**
- **Color:** The natural cedar, pressure treated, or Wolmanized wood fence may be treated with clear varnish/stain, polyurethane, clear weather seal or if painted use Sherwin Williams Deckscape Solid Color Stain SW 3002, Superdeck Clear Sealer.
- **Height:** All new fence construction shall be four (4) feet tall following the contour of the property.

- **Extension Bushes:** When installing a fence, the homeowner installing the fence must first try to trim the extension bushes to preserve them. In cases where this is not feasible, the homeowner installing the fence has the full cost burden of moving, removing, and replacing any landscape unless the connecting unit also plans on installing a fence, in which case cost will be shared equally.

d. **Maintenance:**

Members are responsible for the repair, maintenance, and /or replacement of the fence.

- Fence Replacement Criteria:
 - Warped boards.
 - Deteriorated boards or posts that do not have sharp or square edges.
 - Posts loose in the ground.
 - Gates that do not operate smoothly, or are uneven with fence lines, or do not lock.
- The homeowner is responsible for all grass-cutting and landscaping within their fenced area.
- Removal of a fence requires the unit owner to return the lawn to weedless grass.

The Association recommends providing the contractor with these instructions and calling the property manager for any questions.

- **Materials:** Natural cedar, pressure treated Wolmanized wood or composite (plastic resin and reclaimed wood fiber) in light or dark brown. Brand names to choose from include, but are not necessarily limited to: Trex, Veranda, or New Techwood.
- **Dimensions:** Deck size may not exceed 40 percent of rear yard size.
- **Color:** The deck may be treated with clear varnish, polyurethane, clear weather seal or if painted use Sherwin Williams Superdeck Solid Color Stain SW 3002 Superdeck Clear Sealer. For resin/composite decking the color shall be light brown or dark brown.
- **Vegetation mat:** A plastic sheet or other vegetation mat shall be placed under deck to prevent growth of weeds.
- **Animal guard:** A wood border shall be nailed around the perimeter of the deck from the deck floor to ground level with screening behind to prevent animals from making nests or dens under the deck.
- **Railings:** Three railings may be installed around wood decks. Top rail shall not exceed 54" in height; lower rails shall not exceed 27" in height. Top rail shall be 2" X 4" material.

- **Elevation:** The height of the deck floor surface shall not exceed the vertical height as measured from the ground to the threshold beneath the sliding glass door. Decks shall be one level only.
- **Window wells:** Openings shall be cut for access to window wells.
- **Steps:** Two or more steps may be required from the deck surface to ground level with **equal** riser heights not to exceed 7 1/2" per Village of Wheeling building code.
- **Vertical Posts:** Vertical posts shall be 4"X4".
- **Pitch:** Deck shall be slightly pitched so water drains away from unit.

Note: The total square footage for a patio or deck may not exceed 40% of the rear yard.

10. Garden Border.

Homeowners must receive written approval from the Association prior to installation.

a. **Location:**

Border shall be permitted only around planting/flower beds and vegetable gardens.

a. **Specifications:**

- **Color:** Must be White. Storm doors that do not comply after being notified by the board will be painted by the Association and charged back to the homeowner's account.
- **Glass Size:** Full view, Midview, or Highview glass doors are acceptable.

Storm Door Illustration

13. **Front Door.**

Homeowners must receive written approval from the Association prior to installation.

a. **Specifications:**

- **Color:** White
- **Material:** Steel or Fiberglass
- **Design:** A six (6) or (8) vertically oriented panel Door without any glass. Clear or stained-glass inserts can be substituted for the top row of a six or eight-panel door.
- Half-Moon top, Rectangle top, or vertical insert with Clear or Lead glass. See the following pictures for examples of doors with and without glass inserts.

Door Illustration

b. **Sidelight Panel:**

Sidelights can have clear or lead glass that must match the front door glass. The panel must be white. Sidelights that do not comply after being notified by the board will be painted by the Association and charged back to the homeowner's account.

Sidelight Illustration

14. **Coach and Patio Lights.**

a. **Association Standard:**

The Association will repair and/or replace all lights installed by LSV HOA. If a light fixture is destroyed by vandalism or an act of God, the cost to replace the light fixture will be charged back to the homeowner.

b. **Alternative lights**

No alternative lights are allowed.

c. **Motion Detector**

No motion detector lights are allowed.

15. **Satellite Dish Installation.**

Homeowners must complete the Satellite Installation Notification Form prior to installation and submit it to Property Management. Installation requires a Village of Wheeling permit. The Village permit issuance also requires this signed form.

16. **Coaxial Cable for Satellite Dishes and Cable TV.**

a. **Satellite Dishes.**

Homeowners or Professional Dish Installers are not allowed to drill holes in the siding. Dishes must be installed on a Comdeck unit, preferably on the rear of the roof. All required cables must go through the Comdeck unit and then through the roof into the attic. All required cable wiring must be run from the attic to rooms inside the house. (Contact the Property Manager for installation procedures and costs for installing the Comdeck unit). Cables are not permitted to be attached to the outside of the unit's siding.

b. **Cable TV.**

Cable TV installers **can** drill a single 3/8 diameter hole through the rim joist between the top of the foundation and the underside of the first-floor deck on the rear of the house through the floor joist into the basement. The hole must then be protected using a grommet and clear silicone caulk. All internal cable wiring required must be run inside the house. No cables are to be run on the outside of the unit.

17. **Outdoor Generator.**

Any permanent outdoor generator requires approval from the Architectural Committee prior to installation. Use is restricted to power outages only. Installation requires a Village of Wheeling permit.

18. **Mailbox.**

Association Standard: no alternative mailbox is allowed.

19. **Lawn Furniture | Toys | Bicycles | Sporting Equipment | Portable Basketball Devices | Other Items.**

Lawn furniture, toys, bicycles, sporting equipment or any other items shall not be left out in any area in the front or rear of a Unit or in the Common Areas between the hours of 10:00 p.m. and 7:00 a.m. except for patio furnishings in the rear on patio or deck area. Furnishings must be in good condition. Homeowners will be responsible for removing all items from their lawns days landscapers mow lawns.

20. **Garden Hose Reels/Storage.**

Garden hose holders will not be allowed to be attached to the siding. Therefore, any hose holder that sits on or is planted into the ground is acceptable.

21. **Holiday Decorations.**

Wreaths, lighting, and other holiday decorations must comply with Village of Wheeling regulations for official holidays and must be removed within four (4) weeks after an official holiday. No holiday decorations may be attached to the siding or any exterior trim surface of the unit. The use of plastic rain gutter clips is permitted only on gutters.

22. **Garage Door.**

Prior to installation, Homeowners must receive written approval from the Association by submitting and receiving a signed Architectural Change Form.

a. **Association Standard:**

Homeowners are responsible for keeping their overhead garage and side service door in good condition. Conditions causing replacement of garage door include:

Wooden doors: Delamination of panels, warped panels, deteriorated panels, holes in any panels, and peeling paint.

Metal doors: One severely damaged panel or two or more dented, creased, or improperly fitted panels. Any panels replaced must match the remaining panels in color and texture, or the entire door must be replaced.

Side trim: Replacement is for cracked or wrong seal color - not white.

- b. **Specifications:** The approved replacement Garage Door is a **Metal C.H.I. Garage Door model 2217 or 2284, flush panel, brown in color, with a white seal on the top and sides. The manufacturer and/or Model are subject to change if they are no longer manufactured. Check with the Property Manager for more details. Service Door hardware must match the main door's outer hardware.**

23. Windows and Builder's Original Storm Windows.

Homeowners must receive written approval from the Architectural Committee prior to installation.

a. Specifications:

- **Color:** White frame on the outside. Windows that do not comply after being notified by the board will be painted by the Association and charged back to the homeowner's account.
- **Movement:** Movement of the windows must conform to the original window design.
- **Cap/Border:** Must be white and not exceed 2 inches.
- **Proportions for a three-window unit:**
 - Option one. 25% Left; 50% Center; 25% Right.
 - Option two. 33 1/3% Left, center, right.

Note: Any existing non-compliant windows, when replaced, must comply with the above specifications. See APPENDIX G on Page 60 for more information.

24. Window Well Covers.

Window well covers must be flat. The back of the cover must be placed below the siding. Covers cannot be affixed to the siding.

25. Flagpole Holder.

Only an approved flagpole holder will be installed by LSV HOA. Homeowners may request the installation of a flagpole holder by submitting an Architectural Change Form. Upon approval, the HOA will schedule the installation of a holder using an approved contractor.

- a. **The flagpole holder will be installed at a predetermined location on the unit.** Due to siding materials, homeowners will not be able to specify the location of a holder on their unit.
- b. **For cost-effective installation, scheduling may take 4-6 weeks or longer.** Please be patient when requesting an installation.

26. Siding.

No Homeowner shall attach any item to the exterior surface of their units for any purpose. Exterior Surfaces including (but not Limited to) vinyl siding, porch posts, molding, brick, or any other surface. Violation of this rule will result in all necessary repairs being charged back to the homeowner. No items more than 5 lbs. can rest against the siding. The damage caused by the homeowner to the siding will be repaired by the Association and charged back to the homeowner's account.

a. Items cannot be installed on the siding

This includes but is not limited to fixtures, fasteners, unapproved flagpole holders, decorations, tape, nails, screws, or any other items.

27. Radon Mitigation System

Homeowners must receive an approved architectural change form from the Association prior to the installation of any system.

a. Location:

The system must be installed in the rear of the unit on the opposite side of where the downspout is located.

b. Specifications:

- **Color:** The entire system must be brown, matching the color of the downspout and gutter.
- **Blower:** Use PVC to position the vertical section. Use brown downspouts for the vertical section.

28. **Inspections.**

Inspections will be conducted to ensure all units, and their changes/additions conform to the current Rules and Regulations.

V. USE AND OCCUPANCY RESTRICTIONS

1. **Renting of Unit.**

Homeowners are not permitted to rent their Unit, with the only possible exceptions being granted by the Association Board as allowed by the Amended & Restated Declarations & Bylaws of Lakeside Villas Homeowners Association.

2. **Personal Census Form.**

Members are required to provide the Property Manager with personal data and emergency contact information using the Census Form. The Census form is required to be submitted annually, whether or not there have been changes to the previous information. The form is due April 30th as specified and/or at any time the occupancy or personal data changes. Failure to comply will result in a fine. Upon notification of noncompliance, Member has 10 days to comply or receive a \$25 fine plus \$5 a day every day for a week. The 2nd week it's \$10 a day. The 3rd week and thereafter, it's \$20 a day until compliance is met.

3. **Animals.**

a The number of pets shall not exceed two (2) per household.

b All pet owners are responsible for cleaning up after their pets.

c All pets within Lakeside must always be kept on a leash when not inside a unit or an enclosed yard. The pet must always be controlled by the owner or owner's agent when not inside a Unit.

d In the event any dog or other animal on the property causes injury to an individual or another animal or demonstrates aggressive or vicious tendencies or otherwise constitutes an annoyance or nuisance, the Board of Directors, after notice and an opportunity for a hearing, may level a fine and/or direct the dog or other animal to be permanently removed from the property on 3 weeks' notice.

4. **Commercial Activities.**

No commercial activities of any kind, unless otherwise provided by the Declarations, By-Laws, or Rules, shall be conducted on any Unit Lot on the Property.

5. **Nuisances.**

No nuisances shall be permitted. Nuisances shall be defined as any activity which disturbs the peaceful enjoyment of the Lots or Common Area; affects the health, or safety, or welfare of the residents, or Members or property, or detracts or threatens to detract from the property values of the Lots or Common Areas.

6. **Easements.**

No structure, planting or other material shall be placed or permitted to remain, which may damage or interfere with the installation and maintenance of utilities, or which may change the direction in the flow of drainage or obstruct or retard the flow of water through drainage channels.

7. **Special Vehicles.**

The operation of non-licensed motorized vehicles including, but not limited to go-carts, mini-bikes, snowmobiles, etc., is prohibited upon lawns, streets, sidewalks, and parking lots within the subdivision.

8. **Auto Repairs.**

Members and residents are restricted to repairing only their own vehicles. All repairs shall be restricted to their driveway, garage, or designated parking area. No repairs of any vehicles shall be allowed on Lakeside Villas streets or Common Areas. It is the responsibility of the homeowner to protect the asphalt driveway from grease and oil deterioration while completing repairs.

9. **Fruit Trees.**

The planting of any type of fruit tree is strictly prohibited due to susceptibility to disease, fungus attack, and insect infestation. However, once current fruit trees die or are removed, they will not be allowed to be replaced with another fruit tree.

10. **Playground | Basketball Court | Clubhouse Area.**

Loitering at the playground, basketball court, and clubhouse area is prohibited. Playground equipment shall not be used by people 13 years or older. The playground and/or basketball area shall only be used between the hours of 9:00 a.m. and 10:00 p.m. during weekdays and 9:00 a.m. and 11:00 p.m. on weekends and holidays. The clubhouse parking lot area shall only be used for permitted parking in accordance with the Homeowner's Manual. Violators will be towed at their own expense.

11. **Bird Feeders | Bird Houses | Bird Baths.**

Bird Feeders, Houses, or Baths are not permitted in Lakeside Villas.

12. **Feeding Wildlife.**

The feeding of wildlife is prohibited both by a Village Ordinance and the Association Rules.

13. **Portable Basketball Devices.**

Members shall be responsible for any damage to Association property caused by the container.

16. **Gazebo and Pergola.**

Temporary installation is permitted on the back patio or deck between May 1 and October 31. No portion of the structure may be permanently installed. The screens or curtains must be removed from the structure between November 1 – April 30 annually. The board may require the removal of any Gazebo or Pergola the Architectural Committee deems unsafe or not well maintained.

17. **Security & Doorbell Cameras.**

Small to medium-size residential security cameras are permitted. Attachment is only allowed on the white trim boards, and equipment must be black, tan, gray, brown, or white in color. Architectural Change Form submission and approval are required prior to installation. Any necessary electrical wiring must be done inside the unit or garage and must conform to the Wheeling Village Code.

Doorbell Cameras are permitted. Equipment must be black, tan, gray, or white in color. Architectural Change Form submission and approval are required prior to installation. The doorbell camera must be installed where the original doorbell was installed. Any necessary electrical wiring must be done inside the unit and must conform to the Wheeling Village Code. Any security camera or doorbell camera must meet the following:

Requirements:

- a. Security or door cameras may only surveil common areas and may not surveil other Owners' patios or balconies or the interior of other Units through windows or front doors.
- b. Security or door cameras may not be used to harass or annoy other Owners or residents.
- c. The security or door cameras shall provide surveillance only and Owners should be aware that they cannot prevent crime and do not reduce the need for Owners to remain vigilant, to take common sense precautions (locking cars and securing valuables) to protect themselves, and to report any suspicious individuals or activity to the police.
- d. The type and location of the external devices will be limited to 3 per unit and the Board will make the determination as to placement based upon the model of the unit/location.
- e. The only security cameras permitted in the rear of the units are doorbell cameras and must be installed in the location of the existing doorbell next to the sliding patio door.
- f. The original doorbell must be saved and installed back at the time of removal of the doorbell camera. If the Doorbell or Security camera is removed, the homeowner is responsible and will be charged back for any repairs deemed necessary by the Association. The Association has the authority to require the removal of any security cameras.

VI. MAINTENANCE ASSESSMENT

1. **General.**

The Association is funded by a monthly maintenance assessment paid by each Member. **The assessment payment is to be paid by the 1st of each month.** Payments shall be made by sending a check to the designated address the management company has provided, payable to the Lakeside Villas Homeowners Association. The homeowner is responsible for the timely payment of the monthly assessment, regardless of having a payment coupon. The homeowner may enroll in ACH (Automated Clearing House) and contact Property Management for information.

2. **Delinquency.**

Any assessment not received by the 15th of the month will be considered past due and subject to a \$25.00-dollar late fee charged to their account.

3. **Privileges Revoked.**

- a. Association voting rights and right to use the recreational facilities shall be revoked when a Member becomes delinquent.
- b. Any Board Member that is 2 months or more delinquent in paying their monthly assessments shall be suspended from the Board until their account becomes current. The Maximum time to cure all arrearages shall be six (6) months from the date of the delinquency and is referred to the Association attorney for collection or litigation. Upon curing all arrearages, the Board Member may return to their position for the remainder of their elected term.

4. **Late Charges.**

If the monthly assessment payment is not received by the 15th of the month, a \$25 late charge shall be assessed to the Member's account.

5. **Liens.**

The Association shall have the discretion to place liens against any unit that is delinquent by a minimum of 2 months' maintenance assessments.

6. **Legal Proceedings.**

The Association shall initiate legal proceedings against any Member who is delinquent for two (2) months or more in maintenance assessments. Any payment arrangements must be made through the Association attorney and then approved by the Board of Directors or President. All court costs and attorney fees shall be charged back to the Member's account. Members may be evicted by the Association for delinquencies and other violations.

7. **Rule Violations.**

Any penalties levied by the Board of Directors for rules and regulation violations must be paid within 15 days upon receiving the written notice of the Board of Directors' decision. Any penalties not paid within that time shall be deemed delinquent and subject to the above assessment enforcement procedures.

8. **Enforcement and Remedies.**

Whenever a violation or breach of the Association Rules and Regulations or the Association Bylaws is brought to the attention of the Member by the Association Board (or its designee), the Member has a period of fifteen (15) calendar days from the date of receipt in which to remedy the violation or breach (unless a shorter or longer period is granted). If the violation or breach is not remedied within the allowed time, the Association Board shall have the power to levy charges against the Member for the violation or breach and/or shall have the power to revoke voting privileges and right to use the recreational facilities. The Association Board (or its designee) shall give the member the opportunity to be heard by the Association Board. All requests must be submitted to the Property Manager. The Board has the authority, in its discretion, to require that the violation or breach be fixed immediately and can impose fines immediately upon discovery of the breach (subject to the unit owner's right to request a hearing) and/or proceed to court and seek injunctive relief relative to the violation or breach.

If the Member is unable to remedy the violation or breach within fifteen (15) calendar days, the Member must submit a written request to the Property Management Company requesting an extension to the deadline. The request must be received by the Property Management prior to the expiration of the original 15-day allotment. The extension may or may not be granted. Approval is at the discretion of the Association Board.

VII. INSURANCE REQUIREMENTS

1. **Townhomes.**

The Declaration provides that every Member shall keep all buildings and improvements situated on his lot insured against loss by fire, lightning, windstorm, or other casualties under insurance policies providing for payment by insurance companies of monies sufficient to pay the cost of fully replacing or repairing same.

2. **Notification of Insurance Compliance**

Each Member shall cause a certificate of insurance revealing such coverage to be delivered to the Association within 30 days of the initial placement and at each renewal.

- a. **Upon notification of noncompliance.** Member has 10 days to comply or receive a \$50 fine plus \$10 a day every day thereafter until compliance is met.
- b. **If the Certificate is not received.** If such a certificate is not received by the Association within 60 days after conveyance of the title to the Member, the Association may purchase such insurance, and the cost thereof shall be paid by the Member. If unpaid, the amount thereof shall constitute a lien against the Lot, and the Association shall have the same remedies with respect thereto as with all other liens herein established.
- c. **Additional Insured.** Lakeside Villas Homeowners Association must be listed as loss payee or additional insured.
- d. **Proof of Adequate insurance.** Members who fail to provide adequate proof of insurance shall have their Association privileges revoked, which include, but are not limited to, use of the pool and/or clubhouse.

3. **Type of Policy.**

Homeowners are responsible for purchasing the appropriate property insurance that covers the full property replacement value, not less than \$250,000. HO 3 or HO 9 policies are required, not condominium insurance. All homeowners are required to have a deductible of no more than 1% of the dwelling limit coverage on their homeowner's insurance policy. This includes any additional perils that will be effective with the renewal of all policies, a copy of which must be sent to the Insurance Property Manager as required.

4. **Animal Insurance.**

If you have animal(s) that currently reside in your home or are visiting in the company of guests, your homeowner's insurance policy must include Liability Insurance for those animals, and proof of coverage must be provided to the board.

5. **Common Areas.**

The Association is responsible for providing insurance for the following common areas in the form of:

- a. Property and commercial general liability insurance for the clubhouse, pool, streetlights, signs, and Association fences.
- b. Commercial general liability coverage for all Common Areas.
- c. Directors' and officers' liability coverage.
- d. Workers' compensation coverage.
- e. Fidelity bond/crime insurance coverage.

XII. PARKING, Speeding and Traffic

No vehicle, except Car, SUV, motorcycles, and certain non-commercial vans and pick-up trucks, shall be permitted to be parked on private driveways or designated parking spaces. All other types of vehicles must be parked inside garages. (Other vehicles include but are not limited to: all trucks or R.V.'s over 18 feet; all commercial vehicles, including taxi cabs). Commercial vehicles are defined as any vehicle with a business name or advertisement on the exterior of the vehicle regardless of size. Additionally, vehicles which are primarily designed to carry cargo rather than passengers i.e., ladder racks, plumbing pipes etc. as well as pickup trucks openly carrying construction equipment or tools in the bed are commercial vehicles as well.

Except as herein elsewhere provided, no junk vehicle, vehicle with a load capacity greater than one (1) ton and/or with more than two (2) axles and not more than four (4) wheels, trailer, house trailer, motor home, camper, recreational vehicle, vehicle with commercial lettering and signs (not including vehicles of a governmental agency), boat or other similar machinery or equipment of any kind or character (except for such equipment and machinery as may be reasonable, customary and usual in connection with the use and maintenance of any dwelling and except for such equipment and machinery as the Association may require in connection with the maintenance and operation of the common areas and community facilities) shall be kept upon the Property (including streets, driveways, Lots and parking spaces) except in bona fide emergencies.

1. **Permanent Parking.**

No vehicle shall be permanently parked on any exterior area of the Lot other than on the primary driveway serving the residence.

2. **Parking of Covered Vehicles.**

Car covers with rear license plate cutouts will be allowed in their two dedicated parking spaces for those homeowners without garages and in driveways for those with garages.

3. **Clubhouse Parking.**

Parking is prohibited at the Clubhouse parking lot, except for those renting the Clubhouse and/or pool facilities. Violators will be towed at their own expense. Further, parking in the front semi-circle driveway is restricted to people renting the Clubhouse and/or pool.

4. **Units without Garages.**

Members of units without garages are granted the privilege of using not more than two (2) parking spaces for the purpose of parking automobiles and non-commercial vans, as defined by these rules. Said parking spaces shall be as near and convenient to their unit as possible. The spaces shall be delineated and identified in a manner approved by the Board. Said spaces shall not be used by any other person without the permission of the respective Member.

5. **Units with Garages.**

Members of units with garages shall park as many of their vehicles as possible (automobiles and non-commercial vans as defined by these rules) on their driveways and in their garages. Sidewalks may not be blocked and are subject to ticketing by the local police.

6. **Parking\Speeding Regulations.**

All Members and residents shall comply with all Village and County ordinances, state laws, and all posted or marked traffic signs or symbols, as well as all notices distributed by the Association via the newsletter or otherwise.

XIII. Retention Ponds

1. **General Information.**

The four ponds of the Association control flooding. The ponds take water from drain tiles surrounding the townhouse clusters, all street storm drains, and water from other subdivisions and store it during heavy downpours and thaws. The ponds will rise when accumulations are great, but eventually, they will drain down to normal level by an outfall drain on the northeast side of the subdivision. Since all items placed in the storm drains will eventually find their way into the ponds, it is important not to throw anything down the sewers.

2. **Maintaining wet retention ponds.**

There are two major aspects of maintaining wet retention ponds. The first is water quality, which is controlled by chemical treatment and dredging when necessary. The second is shore erosion control. Lakeside has had both types of maintenance over the past years. Since pond maintenance is quite costly and time-consuming, the following rules have been adopted.

a. **Banks of ponds**

No person shall be permitted to perform any activity along the banks of the ponds. Activities include but are not limited to walking, running, standing, fishing, boating, playing, digging, etc. The only exceptions to this rule are activities performed by Association agents, employees, or contractors for Association purposes. Violators are subject to a \$25 fine.

3. **Polluting**

No person shall throw, discharge, dump or deposit, or cause or suffer, or procure, to be thrown, discharged, dumped, or deposited in the ponds or any of the surrounding catch basins, storm sewers, any garbage, refuse, trash, rubbish, waste, or objects which are non-biodegradable or any other pollutant. Violators are subject to be fined.

XIV. GARBAGE COLLECTION

1. **Trash and Recyclables.**

All Trash and recyclables shall be placed in the storage containers provided by the waste management company. On collection day, the containers must be placed roughly 3 feet apart with the wheels facing towards your home. Items that do not fit in the containers shall be neatly stacked and secured so they do not blow away during windy conditions. All trash shall be placed on your lot adjacent to the street curb, not in the street.

- All trash shall be placed outside the dwelling unit and/or garage no sooner than 5:00 p.m. the day before collection, and all containers must be taken inside the dwelling unit and/or garage no later than 8:00 a.m. the day following collection.

2. **Collection.**

Is performed by a private refuse company and is paid for through Association maintenance assessment. The collection takes place every Monday. If the collection day falls on a holiday, collection will take place on the next business day.

3. **Disposing of large Household Items.**

When disposing of large household items, including appliances, sofas, and carpeting, the Member shall contact Waste Management (800-796-9696) and make special arrangements prior to the pick-up day. An additional fee may be charged by Waste Management.

4. **Fines.**

Units that do not comply will receive an automatic \$25 fine, upon receiving the opportunity for a hearing, which will be doubled for each recurring violation within a year, not to exceed \$200 per occurrence.

5. **Trash / Recyclable Cans.**

Each home will receive a 64-gallon capacity cart for trash and a 64-gallon capacity cart for recyclables. A Member can request a different size from the designated waste hauler.

a. **Units with garages**

Must store their garbage/recycling trash cans in their Garages.

b. **Units without garages**

May leave a maximum of two waste management containers behind the unit no more than 6 inches from the back wall. Units with fences can place their containers by the rear of their fence.

6. **Trash Burning.**

No burning of any trash and no accumulation or storage of litter, lumber, scrap metals, refuse, bulk materials, waste, new or used building materials or trash of any other kind shall be permitted on any Lot.

XV. SIGNAGE

1. **Homes for Sale by Real Estate Broker or Agent.**

A Member who is selling their Unit with a real estate broker or agent, shall be allowed to place **one** “**For Sale**” sign in their window, but the sign shall be no larger than five (5) square feet. All signs must be of professional quality. There shall be no hand lettering on the sign except the Member’s phone number.

2. **Advertising Signs.**

No advertising signs, including “For Sale” and “Garage Sale” signs, shall be erected, placed, or permitted to remain on Lots or common areas with the following exceptions:

a. **Homes for Sale by Owner.**

A Member who is selling their Unit without a real estate broker or agent, shall be allowed to place **one** “**For Sale by Owner**” sign on their front lawn or in a window, but the sign shall be no larger than five (5) square feet. All signs must be of professional quality. There shall be no hand lettering on the sign except the Member’s phone number.

3. **Additional Home for Sale Signs.**

A Member who lives on a street other than Lakeside Circle Drive shall be permitted to place one additional sign on the common area adjacent to the intersection of Lakeside Circle Drive and the street closest to the Member’s home. The sign shall read “Home for Sale” and shall have a directional arrow.

4. **Political Signs.**

Members are permitted to post political signs on their lawn or in their windows 30 days prior to an election, but the signs must be removed one day following the election. The sign may be no larger than five (5) square feet.

5. **Contractor Signs.**

No contractor signs will be permitted in Lakeside Villas at any time.

XVI. SALE OF UNIT

1. **Sales.**

Members must notify the Property Manager when they have a contract to sell. The Property Manager will provide the Member with an assessment status letter which is needed to present to the title company or mortgage lender to clear the exception to title concerning Association liens.

2. **Service Charge.**

A service charge from the property management company will be charged to the Member for processing paperwork associated with preparing closing letters or for mortgage refinancing.

3. **Property Inspection.**

A mandatory property inspection conducted by the Association is required prior to the sale of the property. Members are encouraged to request the inspection at least ten (10) Business days before closing to ensure all violations are corrected. A service charge of \$100 will be charged to the Member for this service.

The unit closing documentation provided by the Association will document whether there is an architectural violation in existence (a description of the violation will be included).

XVII. RULE AND REGULATION ENFORCEMENT PROCEDURES

1. By-Law Provisions.

The Board shall have the power to adopt and publish reasonable rules and regulations governing the use of the Common Areas and facilities, personal conduct of the Members and their guests, and to establish penalties for any infractions thereof.

2. Fine System Policy.

Violation of any Covenant, Condition or Restriction of the Declaration, By-Laws or Rules shall be subject to a penalty not exceeding \$5,000.00 per violation and/or revocation of privileges until said penalty is paid and the violation corrected. Unless otherwise stated herein, the following Fine Schedule has been established to notify Members in advance of the cost associated with violations.

- Homeowners will be notified of a violation with an accomplishment date. The homeowner who fails to comply by the specified date will receive a violation letter advising them of a fine. The fine will be \$10 per day retroactive from the date of the letter of the violation and charged to the homeowner's account.

3. Procedural Rules.

a. Complaints.

The following have the authority to file a complaint with the Property Manager:

- Members
- Board of Directors
- Architectural Committee (AC)
- Property Manager

The Property Manager will investigate complaints and document the findings of any violations as outlined in APPENDIX E

4. Notice.

The complaint shall be delivered by personal service or by mail to the alleged violator's address with notification of the violation and fine associated with the violation. Members may appeal the complaint to the Board.

5. Hearing Body.

The Board of Directors shall hear all complaints.

6. Continuances.

Continuance without cause can be requested by the Member but will be granted at the discretion of the Board. Continuance requests with cause shall be granted for the following:

- Member or witness is out of town.
- Member or witness is ill.
- Death in a family of Member or witness.

Requests for continuance must be communicated to the Board or Property Manager within a reasonable time before said hearing date.

Failure to appear at a complaint hearing without prior approval from the Board will result in a finding of guilty and the assessment of a fine.

7. Burden of Proof.

- Violation – majority decision required.
- Penalty – majority decision required.

8. **Enforcement.**

A member's account charged with a fine will cause all privileges to be revoked until the account is paid in full.

- Lien
- Legal proceeding

9. **Definitions.**

- Final Decision – Any decision of the Board is final.
- Consolidation – Where one or more complaints are filed against a member for the same claimed violation before a decision of the Board is rendered, they will be heard at the same time and the decision of the Board will be considered as one violation.

XVIII. SAFETY INFORMATION

1. **Fire/Carbon Monoxide.**

In the event of a fire, Members should do the following:

- Call Fire Department** – Village of Wheeling - Emergency – 911, non-emergency (847) 459-2662. Then alert your neighbors and finally call the management.
- Before exiting a room**, feel the upper part of the door. If the door is warm or hot, brace one leg and hand against the door and open it about one half inch. If conditions are safe, evacuate the room. If you feel a rush of hot air, smoke, or pressure, slam it shut. Seal cracks around door, and any other places where smoke could enter with wet towels, preferably. If smoke enters your Unit or room, open windows about three inches. If possible, soak in a large blanket, sheet, or throw rug and get under it near the window. Hold the edge of the wet material over the opening of the window to breathe fresh air.
- Upon exiting your Unit**, close all doors and windows and leave them unlocked for easy access for the fire department.
- Keep the following items in your unit.**
 - Flashlight.
 - Candle.
 - Masking tape for sealing cracks.
 - Escape ropes or ladders long enough to reach the ground from the second story.
 - Fire extinguisher.
 - Install and maintain smoke detectors.
 - Install and maintain Carbon Monoxide (CO) Detectors.

2. **Tornado.**

- Stay as far away from outside walls and windows as you can.**
- Protect yourself** from flying glass by staying behind a large piece of furniture.
- If possible**, seek shelter in the basement or interior first floor hallway.
- Sit on the floor** with your knees up and place your head between your knees with your hands over your head for protection.
- Try to take with you** a battery-operated radio, candles, or flashlight.

3. **Speed Limit.**

- a. **Comply with the 20-mph speed** limit within the subdivision.
- b. **Watch for children or adults** since they may dart out on the street.

4. **Street Play.**

Members, their children, and guests are discouraged from playing on the streets, including but not limited to baseball, football, hockey, etc. Such play is dangerous and may cause bodily injury, property damage, and inconvenience to others.

XIX. HOMEOWNER MAINTENANCE TIPS

1. **Drainage.**

Be sure downspout extenders are placed on downspouts to carry water away from your foundation. Splash blocks may also be used to prevent downspouts from creating erosion. Members are responsible for the maintenance of downspout extensions. A stepped-on extension can cause water to back up the gutter system and leak inside your unit. Make sure the discharge end is open and clean. If your downspout discharges onto your driveway, be sure it is sufficiently long enough to carry the water down the drive. This will prevent erosion of the driveway.

2. **Frozen Pipes.**

On bitterly cold days, frozen pipes are a likely problem. Be sure to keep the thermostat set at a reasonable temperature; open cabinets to allow air to circulate around pipes; keep water dripping slightly through all faucets and be sure to disconnect all hoses before the first frost. If you are going on a vacation in the winter, contact a licensed plumber on how to winterize your pipes.

3. **Humidity.**

Those Members who use humidifiers may cause severe damage to their units if they set the level too high in cold weather. Be sure to follow operator instructions carefully. Over-humidification can cause condensation that may appear to be a roof leak or pipe leak due to the large volume of water condensed. It can cause damage to the drywall, as well as the roof under sheeting, which can cause premature failure of your roof. If you have a humidifier, it is wise to inspect your attic to see that condensation or ice is not forming on the roof under sheeting.

4. **Ice Dams.**

Leaks in the wintertime may be caused by what are called "ice dams." Ice dams occur when ice and snow build up in the gutter or on any horizontal surface, and escaping warmth from your Unit causes the build-up to melt and leak inside. Do not use shovels or picks to remove ice or snow from the roof because it may permanently damage the shingles. Any damage caused by an ice dam is the responsibility of the homeowner. To reduce the possibility of an ice dam, homeowners should request the property manager to have the gutters cleaned.

RULES GOVERNING SATELLITE DISHES

To keep the aesthetic appearance of the Association in a good and orderly manner, and to protect the health, safety and welfare of the residents, the following rules are to be strictly followed:

1. Any owner interested in installing a satellite dish one meter or less in diameter should notify the Board of Directors at least 24 hours after the date of installation. Satellite dishes greater than one (1) meter in diameter are prohibited.
2. Satellite dishes may only be installed on portions of property within the owner's exclusive use and control.
3. Satellite dishes shall be installed on the roofs as a first choice. **Roof installation requires the use of a Comdeck Roof Mounting System. The Association will provide the Comdeck Unit and the installation of the Comdeck.** Accordingly, the Homeowner must notify the Association of the date and time when the Satellite dish will be installed so that the installation of the Comdeck unit can be coordinated. **The rear of the roof is the preferred location for the installation of the dish. All cables shall enter the attic of the house through the Comdeck mount. Any additional cables needed must be run inside the house. No cables shall be put through the siding of the house.** Any satellite dish installed at ground level shall be located only within a fenced yard. All wires shall be hidden from view in any installation.
4. **Installation Sequence:** Have your satellite dish installer first come out and mark a preferred location for the dish to be mounted. Then contact the property manager at Hillcrest Property Management to have the Comdeck mounting unit installed by Lakeside's roofing contractor in that location. Once the Comdeck unit is installed, your satellite dish installer must come back and complete the installation of the dish on top of the Comdeck unit and run all necessary cables through the Comdeck unit into the attic for distribution.
5. No more than one (1) satellite dish of each provider may be installed.
6. To protect the health, safety and welfare of the residents, all satellite dishes are to be professionally installed. The unit owner must provide proof prior to installation that the contractor is insured and licensed.

7. The Board of Directors reserves the right to inspect the installation and maintenance of the satellite dish.
8. Once installed, the owner will be responsible for the maintenance of the dish. If additional cost is required to maintain the property on which the dish is installed, the Board of Directors may assess this cost back to the unit owner. If it is necessary for the Association to remove the satellite dish to perform maintenance, the owner will be advised accordingly.
9. The unit owner shall always keep the satellite dish in good repair. Failure to do so after five (5) days written notice from the Board may result in the removal of the dish.
10. The owner shall be responsible for funding the cost of any maintenance, repair or replacements to the property resulting from installation of the satellite dish. In addition, the owner must restore the property to its original condition upon removal of the dish.
11. The owner hereby indemnifies and holds harmless the Board of Directors, the Association, its employees, contractors, agents, and members from any and all claims, controversies or causes from the installation or use of this satellite dish, including the payment of any and all cost of litigation and attorney's fees resulting therefrom. The owner agrees to be responsible for any damage to the property or injury to any individual because of the installation of the dish.
12. Upon transference of the ownership or occupancy of the unit, the Owner shall inform the successor in title, or tenant, of the existence of these Rules and Regulations and the obligations set forth herein. All obligations herein shall pass on to any successor in interest. If the transferee is unwilling to assume the responsibilities set forth herein, and execute a new hold harmless agreement, the dish must be removed prior to conveyance.
13. All satellite dishes shall be constructed in strict compliance with these Rules and Regulations. Any deviation from these Rules and Regulations without the prior written consent of the Board of Directors may result in the dismantling and removal of the satellite dish by the Association without notice. The Owner shall bear all costs of removal and restoration. The Association reserves the right to levy a continuing and daily fine for each day an un-authorized satellite dish shall remain on the premises after the Owner has been notified to remove it or advised to re-install the dish in conformance with the Rules and Regulations. The fine shall be set by the Board of Directors in accordance with the approved guidelines for fines.
14. Applicant shall not deviate from the terms of this Agreement.
15. No verbal understandings or agreements shall change or modify the terms and provisions of this Agreement, and the entire Agreement of the parties is expressed herein. No course of prior dealings between the parties and no usage of trade shall be relevant to supplement or explain any terms used in the Agreement. Further, this Agreement shall not be modified or altered by subsequent course of conduct between the parties.

PLEASE NOTE: In addition to having Lakeside Villas HOA approval, applicants must obtain a Satellite Dish Installation Permit from the Village of Wheeling.

LAKESIDE VILLAS HOMEOWNERS' ASSOCIATION RULES AND REGULATIONS REGARDING INSTALLATION OF SOLAR ENERGY SYSTEMS

In the interests of the health, safety, and welfare of the Association, the Board has adopted the following Rules and Regulations:

1. Any Owner interested in installing or maintaining a solar energy system shall abide by these rules for solar energy systems.
2. Solar Energy System ("SEG") is defined as:
 - a. A complete assembly, structure, or design of solar collector, or a solar storage mechanism, which uses solar energy for generating electricity or for heating or cooling gases, solids, liquids, or other materials; and
 - b. The design, materials, or elements of a system and its maintenance, operation, and labor components, and the necessary components, if any, of supplemental conventional energy systems designed or constructed to interface with a solar energy system.
3. Wind energy collection, rainwater collection, and composting systems *are not* allowed.
4. SEGs may only be installed on buildings within an Owner's Lot that are less than thirty (30) feet or less in height, subject to these Rules. SEGs shall not be installed: (a) on buildings within an Owner's Lot that are greater than thirty (30) feet in height, (b) on the ground of an Owner's Lot, or (c) on any buildings or land within the Common Area without the prior written consent of the Board.
5. SEGs may only be installed on the exterior of a building within an Owner's Lot, provided that the Board, at its discretion, shall determine the specific location where the SEG may be installed on the roof within an orientation to the south or within 45 degrees east or west of due south provided that the determination does not impair the effective operation of the SEG.
6. Owners who desire to install such an SEG must submit an application in writing to the Board prior to installation detailing the plans, specifications and proposed location of the SEG on a building within the Owner's Lot. The Board shall process the application within 90 days upon receipt of the application.
7. To protect the health, safety and welfare of the residents, the Board strongly suggests that SEGs be professionally installed. If the owner uses a professional installer, the owner must provide proof that the contractor is insured and licensed.
8. To protect the health, safety and welfare of the residents and their property, the Board reserves the right to inspect the installation and maintenance of the SEG.
9. The Owner shall be responsible for all costs of installation of the SEG, and once installed, the owner will be responsible for the operation, upkeep, and maintenance of the SEG, at the Owner's sole expense.
10. The Owner shall always keep the SEG in good repair.
11. Any damage to the building or the Owner's Lot caused by the installation and/or operation of the SEG shall be at the Owner's sole expense.
12. The Owner is responsible to obtain all required permits and comply with all local ordinances and State laws in constructing and maintaining the SEG.

13. The Owner hereby indemnifies and holds harmless the Board of Directors, the Association, its agents and members from any and all claims, controversies or causes of action resulting from the installation or use of the SEG, including the payment of any and all costs of litigation and attorneys' fees resulting therefrom. The owner agrees to be responsible for any damage to the property or any injury to any individual as a result of the installation or operation of the SEG.
14. Upon transference of the ownership or occupancy of the Lot, the Owner shall inform the successor in title, including any purchaser by Articles of Agreement for Warranty Deed, or tenant, of the existence of these Rules and Regulations and the obligations set forth herein. All obligations herein shall pass to any successor in interest.
15. All SEGs shall be constructed in strict compliance with these Rules and Regulations. Any deviation from these Rules and Regulations without the written consent of the Board of Directors may result in the dismantling and removal of the SEG by the Association, in addition to the levying of fines. All costs of removal and restoration shall be borne by the Owner. The Association reserves the right to levy a continuing and daily fine for each and every day an unauthorized SEG shall remain on the premises after the Owner has been notified to remove it or advised to re-install the SEG in conformance with the Rules and Regulations. The fine shall be set by the Board of Directors in accordance with the approved guidelines for fines.

CLUBHOUSE RENTAL INFORMATION:

Rental Hours:

Weekdays: 09 am – 11 pm

Weekends: 09 am – 12 am

Rental Cost:

Cost: \$165.00

Deposit: \$100.00

The renter has prepaid the rental fee \$_____ and the required security deposit of \$100.00. The renter has checked the condition of the Clubhouse and found it acceptable and has performed and acknowledges an inspection has been completed before renting the Clubhouse. The rental starts at the time of accepting the clubhouse key and ends after inspection. The renter agrees that the above rental hours are the only acceptable times to have the event.

I. In consideration of Renter's use of the Clubhouse, Renter agrees:

1. **Renter and guests of renter will do no act on or about the premises which may interfere with the residents' quiet enjoyment of Lakeside Villas.** Children must be supervised at all times. All activities shall cease at 12:00 Midnight on Friday and Saturday.
