1. Article 19(b) of the Declaration is hereby deleted and replaced with the following:

(b) Leasing of Units:

(i) In order to maintain the quality of life and property values, the objective of the Association is to promote and encourage Unit Owners to reside on the premises. Following the effective date of this Amendment and subject to the provisions contained herein, at no time shall there be more than twenty percent (20%) of the total units leased. All owners desiring to lease their Unit must follow the procedures as set forth herein.

(ii) Any Unit Owner properly leasing their unit as of the effective date of this Amendment shall be "grandfathered" and allowed to continue to lease their unit until the sale or transfer of ownership of the unit. At that time, the new Owner(s) shall be immediately subject to the lease restrictions contained herein. "Grandfathered" leased units shall count toward the maximum number of rental units allowed herein.

(iii) Any owner desiring to lease their Unit or leasing to a new tenant must notify the Board prior to entering into a lease agreement. All leases must be in writing and for a term of not less than one year or more than two (2) years without the Board's prior written approval. A lease must be for the entire unit (no renting of individual bedrooms or rooms). All leases must also contain a provision that failure by the tenant or the Unit Owner to abide by the Rules and Regulations of the Association may, in the discretion of the Board of Directors, result in termination of the lease by the Board of Directors. Copies of all leases must be submitted to the Board within ten (10) days after execution and prior to occupancy, whichever is sooner.

(iv) The Board shall promptly review the proposed lease agreement in order to verify that it complies with the standards as set forth herein.

(v) In the event that twenty percent (20%) or more units are leased at the time the Board receives an application, the applicant must request, in writing, to be added to a waiting list to be maintained by the Board or the managing agent.

(vi) Once a leased Unit reverts to resident-owner status, the unit owner on the waiting list for the longest period of time shall have the first opportunity to lease their unit.

(vii) After the effective date of this Amendment, no additional Units, or interest therein, shall be leased by a Unit Owner unless they comply with the aforestated standards.

(viii) In the event that twenty percent (20%) or more units are leased at the time the Board receives an application, a Unit Owner may apply for a one year hardship waiver in the following manner:

1. The Unit Owner must submit a request in writing to the Board of Directors requesting a one year hardship waiver of the lease restriction setting forth the reasons why they are entitled to same.

2. If, based on the data supplied to the Board of Directors by the Unit Owner, the Board finds in its sole discretion that a reasonable hardship exists, the Board may grant a one year waiver. All decisions of the Board shall be final.

3. All tenants shall acknowledge in writing that they have received copies of the rules and regulations of the Association and a copy of the written receipt shall be submitted to the Board of Directors.

4. In the event an Owner has been granted hardship status, they must re-apply within thirty (30) days of the expiration of each hardship period if they wish to request an extension.

5. A leased unit authorized under this hardship provision shall not be included in the maximum number of leased units allowed.

(ix) Any Unit being leased out in violation of this Amendment or any Owner found to be in violation of the Rules and Regulations adopted by the Board of Directors may be subject to a flat or daily fine to be determined by the Board of Directors upon notice and an opportunity to be heard.

(x) In addition to the authority to levy fines against the Owner for violation of this Amendment or any other provision of the Declaration, By-Laws or Rules and Regulations, the Board shall have all rights and remedies, including but not limited to the right to maintain an action for possession against the Owner and/or their tenant, under 735 ILCS 5/9-111, an action for injunctive and other equitable relief, or an action at law for damages.

(xi) Any action brought on behalf of the Association and/or the Board of Directors to enforce this Amendment shall subject the Owner to the payment of all costs and attorneys' fees at the time they are incurred by the Association.

(xii) All unpaid charges as a result of the foregoing shall be deemed to be a lien against the Unit and collectible as any other unpaid regular or special assessment, including late fees and interest on the unpaid balance.

(xiii) This Amendment shall not prohibit the Board from leasing any Unit owned by the Association or any Unit which the Association has been issued an Order of Possession by the Circuit Court of Cook County.

2. Article 19(c) of the Declaration is hereby deleted and replaced with the following:

(c) Parking Units. The Unit Owner or lessee of a Parking Unit need not must be a Unit Owner, resident or occupant of the Building. ~~The Unit Owner or lessee of a Parking Unit may be the owner, lessee, resident or occupant of residential or commercial space on the Future Development Parcel, however.~~

3. Except to the extent expressly set forth hereinabove, the remaining provisions of the Declaration shall continue in effect without change. This Amendment shall be effective upon recording with the Cook County Recorder of Deeds.

Article 19(b) of the Declaration, as amended by Document No. 0631716073, recorded on November 13, 2006 with the Cook County Recorder of Deeds, is hereby amended as follows (additions in text are indicated by underline and deletions in text are indicated by ~~strikethrough~~):

(b) Leasing of Units:

(i) In order to maintain the quality of life and property values, the objective of the Association is to promote and encourage Unit Owners to reside on the premises. Following the effective date of this Amendment and subject to the provisions contained herein, at no time shall there be more than twenty percent (20%) of the total units leased in each building. All owners desiring to lease their Unit must follow the procedures as set forth herein.

(ii) Any Unit Owner properly leasing their unit as of the effective date of this Amendment shall be "grandfathered" and allowed to continue to lease their unit until the sale or transfer of ownership of the unit, or until the unit is vacant for a period of more than six (6) months. ~~At that time, Upon the sale or transfer of ownership of the unit or if the unit is vacant for a period of more than six (6) months,~~ the new Owner(s) shall be immediately subject to the lease restrictions contained herein. "Grandfathered" leased units shall count toward the maximum number of rental units allowed herein.

(iii) Any owner desiring to lease their Unit or leasing to a new tenant must notify the Board prior to entering into a lease agreement. All leases must be in writing and for a term of not less than one year or more than two (2) years without the Board's prior written approval. A lease must be for the entire unit (no renting of individual bedrooms or rooms). All leases must also contain a provision that failure by the tenant or the Unit Owner to abide by the Rules and Regulations of the Association may, in the discretion of the Board of Directors, result in termination of the lease by the Board of Directors. Copies of all leases must be submitted to the Board within ten (10) days after execution and prior to occupancy, whichever is sooner.

(iv) The Board shall promptly review the proposed lease agreement in order to verify that it complies with the standards as set forth herein.

(v) In the event that twenty percent (20%) or more units in the building in which a Unit Owner wishes to lease are leased at the time the Board receives an

application, the applicant must request, in writing, to be added to a waiting list to be maintained by the Board or the managing agent.

(vi) Once a leased Unit reverts to resident-owner status, the unit owner on the waiting list for the longest period of time shall have the first opportunity to lease their unit.

(vii) After the effective date of this Amendment, no additional Units, or interest therein, shall be leased by a Unit Owner unless they comply with the aforesaid standards.

(viii) In the event that twenty percent (20%) or more units in the building in which a Unit Owner wishes to lease are leased at the time the Board receives an application, a Unit Owner may apply for a one year hardship waiver in the following manner:

1. The Unit Owner must submit a request in writing to the Board of Directors requesting a one year hardship waiver of the lease restriction setting forth the reasons why they are entitled to same.

2. If, based on the data supplied to the Board of Directors by the Unit Owner, the Board finds in its sole discretion that a reasonable hardship exists, the Board may grant a one year waiver. All decisions of the Board shall be final.

3. All tenants shall acknowledge in writing that they have received copies of the rules and regulations of the Association and a copy of the written receipt shall be submitted to the Board of Directors.

4. In the event an Owner has been granted hardship status, they must re-apply within thirty (30) days of the expiration of each hardship period if they wish to request an extension.

5. A leased unit authorized under this hardship provision shall not be included in the maximum number of leased units allowed.

(ix) Any Unit being leased out in violation of this Amendment or any Owner found to be in violation of the Rules and Regulations adopted by the Board of Directors may be subject to a flat or daily fine to be determined by the Board of Directors upon notice and an opportunity to be heard.

(x) In addition to the authority to levy fines against the Owner for violation of this Amendment or any other provision of the Declaration, By-Laws or Rules and Regulations, the Board shall have all rights and remedies, including but not limited to the right to maintain an action for possession against the Owner and/or their tenant, under 735 ILCS 5/9-111, an action for injunctive and other equitable relief, or an action at law for damages.

(xi) Any action brought on behalf of the Association and/or the Board of Directors to enforce this Amendment shall subject the Owner to the payment of all costs and attorneys' fees at the time they are incurred by the Association.

(xii) All unpaid charges as a result of the foregoing shall be deemed to be a lien against the Unit and collectible as any other unpaid regular or special assessment, including late fees and interest on the unpaid balance.

(xiii) This Amendment shall not prohibit the Board from leasing any Unit owned by the Association or any Unit which the Association has been issued an Order of Possession by the Circuit Court of Cook County.

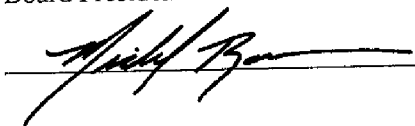

(xiv) Upon the expiration of a lease properly in effect as of the effective date of this Amendment, to qualify to lease a unit, the owner must be a member in "Good Standing" with the Association at the time of application to lease. A member in "Good Standing" shall be defined as any member current with all sums due and owing to the Association, including assessments, late fees, attorneys' fees and fines as of the date of the application to lease.

This Amendment shall be effective upon recordation in the Office of the Recorder of Deeds of Cook County, Illinois.

Except to the extent expressly set forth hereinabove, the remaining provisions of the Declaration shall continue in effect without change.
